

## Canadian Association for Baptist Freedoms

### 2023 Annual General Meeting

### Report of the Website Committee

The Website Committee is responsible for the CABF Website, the CABF Facebook Page and the CABF YouTube channel.

**Website** – <https://www.c-abf.ca/>

During 2023 your Webmaster has updated the website with the latest information about the life and work of the CABF. This has included a link to the latest edition of the CABF Bulletin, links to our official documents and Council Minutes and occasional news items. There are separate Menu tabs for Accreditation policies and announcements, Publications and Events, as well as a tab for Links to other Baptist and ecumenical organizations, seminaries, resources, etc.

The Covid-19 pandemic made it necessary for CABF to do much of its activities on-line, which has turned out to be a helpful learning experience as we expand our membership to individuals and Churches across the country. The website has become a useful tool for people looking for information on our Association or links to our events and activities. The website continues to post profiles of our Council, Committee lists and contact information for our member Churches.

Your Committee welcomes comments and suggestions, and especially corrections!

Kevin Estey Design – <https://www.kevinestey.ca/>) has maintained the design and operation of our website for a very reasonable fee. Thank you, Kevin!

**Facebook Page:** [www.facebook.com/CanadianABF](http://www.facebook.com/CanadianABF)

The Facebook Page enables us to post news of the activities of our Churches and ecumenical partners in an interactive, social media format. Currently there are 189 Followers who receive CABF posts in their News Feeds, an increase of 20%. I regularly post news from our Churches (when informed), “share” their posts and promote CABF events. We also share posts from similar or affiliated groups that we think might interest our followers. If you are on Facebook, please “Follow” our Page so that our posts will appear in your News Feed, and the more you “like” and “comment” on our posts, the greater the reach of CABF on this social media platform! We are always interested in your suggestions for inclusion on the CABF website or the CABF Facebook page.

**YouTube Channel** – [https://youtube.com/channel/UCMx\\_i7lLI0VIM7oOB2zZswg](https://youtube.com/channel/UCMx_i7lLI0VIM7oOB2zZswg)

Our YouTube has our promotional and Anniversary videos as well as Rushton Lectures . Our intention is to continue to use our channel to upload videos from our events.

Respectfully submitted,

Rev. John E. Boyd, Chair and Webmaster
